Career Profile

- 25 + years' experience in teaching and training public administrators of the Federal and State Governments in the Washington metropolitan area including middle managers from the Federal Bureau of Investigation(F.B.I.), National Security Agency(N.S.A),Environmental Protection Agency(EPA), Department of Housing and Urban Development(HUD), Security and Exchange Commission(SEC), the United States Army, Navy and Airforce, when teaching for Johns Hopkins University's School of Continuing Studies, Central Michigan University, University of Maryland University College, Southeastern University, Strayer University, and the United States Government's Training Arm - U.S. Department of Agriculture's Graduate School.

-International expert on comparative public management's performance and accountability systems, and evidence-based best practices and policies. Worked as a staff member, senior consultant, and lead instructor for the World Bank's Institute and United States Department of State/U.S. AID on designing and delivering leadership development training programs for public sector senior executives, presidents of public corporations and middle managers and Non-Governmental Organizations NGOs from all over the World. Topics included: government capacity building within the public and not For -profit sectors , governance, curbing corruption, the process of business strategic planning, privatization, public/private sector interface,

performance monitoring, total quality management, re-engineering, and entrepreneurship, management of change, developing safety nets, effective organizational communication and negotiation.

-Worked Two Years in the public service practice of *BearingPoint Corporation*, which provides strategic consulting services and managed services to the United States Government designed to increase cost- effectiveness, manage regulatory compliance, and integrate information to transition to “next-generation” technology and best practices. This experience would enable me to lead and operate effectively programs of public management development and planned organizational change.

-25 years' teaching experience of Political Science, Business Management, Public Management, Not - For Profit Management(including social entrepreneurship), Human Resource Management in Public and Not -For Profit Sectors, Organizational Behavior and Group Dynamics in Organizations, Management Theory, Strategic Communication in Public Organizations, Research Methods, U.S. Government and Politics, Public Policy Analysis and Evaluation, Policy Analysis, Intergovernmental Relations(IGR), Constitutional Law I Federalism, and Constitutional Law II Civil Rights and Civil Liberty II, Ethics, the Manager and Global Competitiveness, State and Local Government, American Political Economy, Comparative Government, and International Relations at the following institutions: Johns Hopkins University, American University, Coppin State University, University of Maryland University College, Strayer University, and Southeastern University.

-20+ Years' experience in supervising experiential learning programs and supervising internships

- 20+ years` experience in supervising MPA, thesis and doctoral dissertations (as an outside examiner for George Washington University when working for Johns Hopkins University and the World Bank in Washington DC).

- Recognized expert on evaluating quality of academic programs- clients included World Bank's Scholarship Program, and University of Baltimore's College of Public Affairs (2017-2018)

- Trained Lawyer of intellectual property rights Laws and issues of legal, ethical, and professional compliance- served as a member of the legal defense team for Jay-Z's who won the case in the U.S. district court in Los Angeles, California. Link to case: <https://www.courtlistener.com/opinion/2172479/fahmy-v-jay-z/>

-Excellent knowledge of the Accreditation's issues, and processes of establishing and operating Centers of Excellence-I participated in Six (6) accreditation's encounters during my 25 years career in higher education

- Extensive travel throughout the world with the U.S. State Department/ AID, the World Bank , the International Institute of the USDA Graduate School, and the Institute for International Development & Strategic Studies.

- Bilingual English/ Arabic. Able to lecture, research, and translate in the two languages.

- Taught members of the United States military personnel of the Army, Navy and the Air Force while serving on full time and on part time basis when working for the University of Maryland University College in Germany and in the U.S. Taught at Fort Meade, Andrews Air Force Base, Maguire Air Force Base, and Walter Reed Medical Center.

Current Positions

1- Tenured Professor, Coppin State University, Baltimore, Maryland, & University's Pre-Law Adviser (August 15, 2011 To Present).

- Department Chair (August 15, 2014, To August 15, 2016)

- Chaired Department of 20 Full-time and Adjunct faculty, and teaching the following courses : Introduction to Political Science, United States Government and Politics, Policy Analysis, State and Local Government. Constitutional Law I Federalism & Constitutional Law II Civil Rights & Civil Liberties, International Law, International Organizations, Comparative Government and Politics, International Relations, American Political Economy, International Political Economy, Public Administration, and Supervising the Internships-Experiential learning.

2 - Non-Resident Scholar at George Washington University's Elliott School of International Affairs in the Institute for Middle East Studies(IMES). The purpose is to engage with IMES faculty as I am continuing my research on: *China's Diplomacy in the Middle East and the Emergence of a New World Order.*

Selected Achievement

-Research Award by Coppin State University May 4th, 2023, Honorable Mention in Research Award based on my Published Book Titled“ *Donald Trump's Digital Diplomacy And Its Impact On US Foreign Policy Toward The Middle East*”, Published by Lexington Books, 2023

-Introduced clinical components to the following Political Science Courses: Introduction to Political Science, United States Government & Politics, International Relations and Comparative Government and Politics in the form of live political debates on current issues such as gun control, budget crises, and bilateral and multi-lateral negotiations to settle international conflicts. Students joined groups and worked together in the videotaped simulations. The simulations increased student interests in the subject matters, built their confidence, and reinforced the learning process and maximized attendance. The simulation videotapes are available in the department to be used for educational references.

-Initiated the Ambassador's Colloquium Program where political science students will be engaged with invited Ambassadors to our campus to know more about their country's history, culture and the bilateral relations with the United States.

-Initiated program of community service and collaboration between the Department of Applied Social & Political Science and Coppin Academy High School. The purpose of this program is to recruit high school students for a planned career in the United States Foreign Service and

International Organizations.

- Introduced New Courses to the Political Science Program (Academic Year 2016-2017)

- 1 – POSC 307 Policy Analysis
- 2 – POSC 422 International Law
- 3 – POSC 423 International Organizations

-Proposed two Upper Division Certificates Programs (18 credits hours) in *Legal Studies* and *International Affairs & National Security Studies*. The two certificate programs have been approved by the Curriculum Committee of the University, academic year 2021-2022, and 2022-2023. The following three courses are added to the Political Science Program:

- 1 – POSC 304 Law, Ethics, and Public Policy
- 2 – POSC 306 Foundation of the American Legal System
- 3 – POSC 310 National Security Policy

Research Grant from ASMEA The Association For The Study of The Middle East and Africa. (May 2017)

Consultant:

1 - Invited by the University of Baltimore to serve as a consultant to evaluate the international programs of the College of Public Affairs- School of Public and International Affairs, based on the recommendation of the University of Maryland System of Higher Education. (June 2017)
