**Please share a few words about your professional career (i.e. current title/employer, business, profession, or retirement status).**

US Army Reserve veteran; 17 year Baltimore City Public Schools educator

**Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?**

As the 2021-2023 CSUNAA Recording Secretary, I was able to learn, grow and develop an even deeper appreciation for my beloved alma mater, Coppin State University. Giving back by volunteering is a core value that is important to me and what better place to do that than at Coppin State! GO EAGLES!

**How can you support the alumni association to grow membership, help establish new alumni chapters, and increase alumni participation?**

I will continue to volunteer at local Coppin State events, as well as commit to attending more HBCU events in nearby states to represent CSU and recruit alumni in those states to join our small, but mighty alumni network.

**Is there anything else you would like to share?**

I will forever be ALL IN for Coppin State University!
